OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

19272-3
------- Enc. 1
No. 890

Bangalore, 27th May *191*5.

From

RAO BAHADUR M. SHAMA, RAO, ESQ., M. A.,
Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
Bangalore.

SIR,

I have the honour to submit herewith for the consideration of Government copy of letter dated 19th May 1915 from Mr. M.A.Sampathkumaran, B.A., a loan scholar of 1914-15, requesting that he may be granted an allowance of £40 per annum towards the maintenance of his family during the period of his training, and first class steamer fares from Hongkong to San Francisco. I do not think that under the rules published in Government Notification No.2442/Edn.2-14-120 dated 9th January 1915 these requests are tenable unless the Government are prepared to advance a further loan for the purposes mentioned.

I have the honour to be,

Sir,

Your most obedient servant,

M Shama Rao

Inspector General.

TNR.

Letter dated 19th May 1915 from Mr. M.A. Sampathkumaran, B.A. Demonstrator in Botany, Central College, Bangalore, to the Inspecto General of Education in Mysore.

I beg to acknowledge the receipt of your docket No.18570-7/ 2054 of 14th May 1915 communicating the Government sanction of the grant of a loan scholarship to me for study in America. I shall furnish the information required regarding the institution and the date of starting in due course. Meanwhile, since during the perio of my absence in America I shall have to be on leave without pay combined with three months' privilege leave on half pay I request that you will be so good as to recommend the grant to me for family maintenance here of an allowance of £40 per annum as in the case of Government servants proceeding for foreign study. My insurance premium may be deducted out of this amount. I need hardly represent that I may not be able to save anything out of the scholarship amount of £200 for remittances to my family who solely depend on me. I hope you will kindly see your way to get this sanctioned.

I have further to bring to your notice that from Yokohama to San Francisco Indian passengers are allowed to travel only by the first class, while I have been sanctioned only second class fare right through. I request that the necessary sanction of the Government may be obtained for this also. I am informed that journey across the Atlantic is not considered safe so long as the war continues. Hence the request.
